Module Tutor

This module is presented by Janine Bottomley. Janine is a qualified toxicologist and Fellow of the Royal Biology Society with over 20 years' combined experience in the cosmetics, pet care and household products industries and working as a regulatory and safety consultant. Janine has worked with trade associations contributing to industry discussions and responses to government on new and existing legislation affecting product safety.

Module Deputy

Adiato Baldé is a Pharmaceutical Scientist with experience in the Pharmaceutical, Medical Device and Cosmetics Industry, working as a Regulatory Expert and focused in Cosmetic Product Safety.

Module Presentation

We will deliver this training using online training software, which we have used successfully for other CHCS training courses. You can use the software, free-of-charge on Windows, Macs, smartphones and tablets.

The sessions will run live and delegates can interact with the tutor and other delegates using their device microphone. The tutor will use a PowerPoint presentation, just as they would in face-to-face training. We will provide you with copies of the presentation and all other supporting documentation in advance of the training, by email.

Comments From Delegates Attending Previous Courses

"Very good and detailed overview for someone completely new to the field. Good thought provoking exercises, which also showed resources available."

"Very helpful examples and exercises. Excellent delivery of the training"

"Experienced instructor with a solid knowledge of the material to be discussed. Very friendly, too!"

"Detailed knowledge of the regulations and delivered in a way that was not too much to handle for those new to the regulations."
